Sir:

INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced Application.

International Search Reports (ISRs) dated July 13, 2004 and July 20, 2004 are attached. Applicants respectfully request that the Examiner consider the three ISRs (two are dated July 20, 2004) along with the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

It should be noted that U.S. Patent 6,594,086 and Japanese Laid-Open Patent Publication No. 7-18806 cited on the ISRs dated July 13, 2004, were submitted in an Information Disclosure Statement filed on September 9, 2004 and therefore are not enclosed nor referenced on the PTO Form 1449.

Relevance of any non-English-language document may be ascertained from the ISRs or an attached English-language Abstract.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this Application, including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required and including any required extension of time fees, *or* credit any overpayment to Deposit Account No. 50-0573.
